

HEBEI WEICHUN WIRE MESH

With over 20years of long term cooperation with over 30 clients, Growing up over time,we always have most competitive price with best quality.

HEBEI WEICHUN WIRE MESH

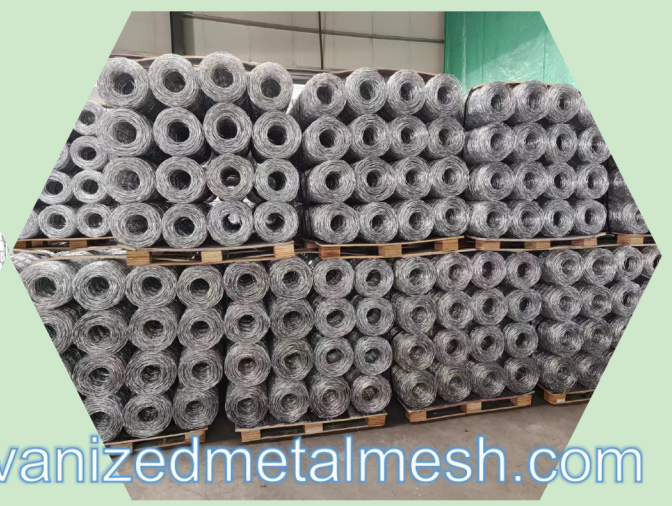

The block contains three images illustrating the wire mesh production process. The first image on the left shows a large green industrial machine, likely a wire drawing or weaving machine, in a factory setting. The middle image shows numerous large, stacked coils of finished wire mesh. The third image on the right shows a wide view of a large industrial factory floor with various equipment and materials, indicating a large-scale manufacturing facility.

HEBEI WEICHUN WIRE MESH

The image is a promotional banner for HEBEI WEICHUN WIRE MESH. It features a light green background with a white grid pattern. At the top, the company name 'HEBEI WEICHUN WIRE MESH' is written in large, bold, blue capital letters. Below the text, there are three hexagonal images arranged horizontally. The first hexagon on the left shows large rolls of galvanized wire mesh stacked in a warehouse. The middle hexagon shows rolls of orange-coated wire mesh stacked in a warehouse. The third hexagon on the right shows stacks of wire mesh panels wrapped in plastic, also in a warehouse setting.

EXPANDED METAL MESH

A close-up image of expanded metal mesh, showing a repeating diamond-shaped pattern of interconnected metal strands. The mesh is dark in color, likely black or dark grey, and is set against a light background. The top of the image features a dark, rounded rectangular header with the text "EXPANDED METAL MESH" in white, bold, uppercase letters.

Product Name	EXPANDED METAL MESH
Surface:	PVC coated, sprayed, plastic coated, hot dipped galvanized, electro galvanized
Mesh Hole:	#S-18 #S-31 #S-4 #S-6 #XG-11 #XS-32 #XS-33 #XS-42 #XS-43 #XS-51 #XS-52 #XS-31,etc
Metal Size:	0.9MX1.8M, 1.0MX2.0M,1.2MX2.4M,1.5MX10M,1.5MX20M,etc

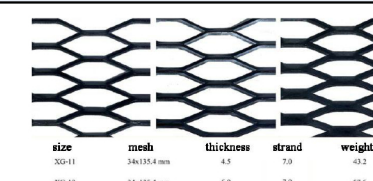

Figure 1 shows schematic diagrams of the mesh and strand configurations for three different mesh types: (a) 30x71, (b) 30x72, and (c) 30x73. Each diagram illustrates the mesh structure, strand arrangement, and associated dimensions and weights.

(a) 30x71

- Mesh dimensions: 18.4 mm (width), 33.6 mm (height), 196/82 mm (diagonal), 4.3 mm (strand width), 5.0 mm (strand height), 30.9 mm (strand length).
- Mesh weight: 30x71
- Strand weight: 30x10.6 mm

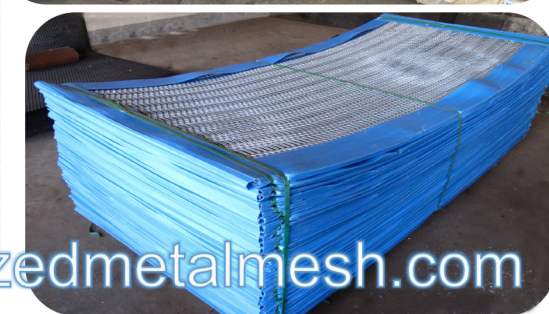

(b) 30x72

- Mesh dimensions: 18.4 mm (width), 33.6 mm (height), 196/82 mm (diagonal), 4.3 mm (strand width), 5.0 mm (strand height), 30.9 mm (strand length).
- Mesh weight: 30x72
- Strand weight: 30x10.6 mm

(c) 30x73

- Mesh dimensions: 18.4 mm (width), 33.6 mm (height), 196/82 mm (diagonal), 4.3 mm (strand width), 5.0 mm (strand height), 30.9 mm (strand length).
- Mesh weight: 30x73
- Strand weight: 30x10.6 mm

The diagrams show the mesh structure, strand arrangement, and associated dimensions and weights for each mesh type.

The image displays a collection of 12 different metal mesh and fencing products arranged in a 3x4 grid. Each product is shown in a separate image with a label at the top:

- WELDED WIRE MESH**: A close-up of a standard rectangular welded wire mesh.
- CHAIN LINK FENCE**: A close-up of a chain link fence mesh.
- HINGE JOINT FIELD FENCE**: A close-up of a hinge joint field fence mesh.
- BARBED WIRE**: A close-up of a roll of barbed wire.
- EXPANDED METAL MESH**: A close-up of an expanded metal mesh.
- STEEL GRATING**: A close-up of a steel grating mesh.
- WELDED WIRE MESH PANEL**: A close-up of a welded wire mesh panel.
- PERFORATED METAL MESH**: A close-up of a perforated metal mesh.
- HEXAGONAL WIRE NET**: A close-up of a hexagonal wire net.
- HIGH SECURITY FENCE**: A close-up of a high security fence.
- SQUARE CRIMP WIRE MESH**: A close-up of a square crimp wire mesh.
- GARDEN FENCE**: A close-up of a garden fence.
- CHAIN LINK FENCE**: A close-up of a chain link fence.
- ANGLE STEEL WITH HOLE**: A close-up of an angle steel with holes.
- BRICK MESH**: A close-up of a brick mesh.

At the bottom of the image, the text "HEBEI WEICHUN" is displayed in large, bold, black letters, followed by the website address "www.galvanizedmetalmesh.com" in a smaller font.
